### Overview

Journey via Gympie to River Heads, then take the ferry to K'gari for a 3 night stay at Kingfisher Bay Resort. Explore the world's largest sand island on an award winning 4WD tour, visiting Eli Creek, 75 Mile Beach and the Maheno Shipwreck, with time to swim at stunning Lake McKenzie. Enjoy a leisure day, shared meals, and the Illumina Return to Sky light show, before returning via Eumundi Markets and home to Brisbane. Departing Brisbane Coach Terminal aboard our luxury 'Gold Class' coach, we make our way via Gympie to River Heads. Here we board the ferry to K'gari (Fraser Island) where we are met and transferred to our accommodation. 3 nights: Kingfisher Bay Resort, K'Gari (Fraser Island)

## Itinerary

1

### Brisbane to K'gari

Meals: Lunch, Two Course Dinner

We depart from the Brisbane Coach Terminal on our luxurious 'Gold Class' coach, ensuring responsible travel with 100% offset coach emissions. We make our way to River Heads and board the ferry to K'gari (Fraser Island), where we are met and transferred to our accommodation. 3 nights: Kingfisher Bay Resort, K'Gari (Fraser Island)

2

### K'gari

Meals: Full Breakfast, Lunch, Two Course Dinner

We are off by 4WD to explore the island's rainforests, eucalypt woodland, mangrove forests, wallum and peat swamps, sand dunes and coastal heaths. Our guided tour will tell tales of the tribes that occupied the paradise of K'gari (Fraser Island) at least 5000 years ago.As we discover the world's largest sand island, our off-road adventure has us tackling inland bumps and humps as we travel past towering Satinay trees, followed by a stroll along the boardwalk through majestic beauty of rainforests and rare plant life. We unearth shipwrecks and sheltered bays and take plenty of time to stop and enjoy the view. We also stop off at picturesque Lake McKenzie, taking time here for a swim in the water which shines sapphire blue, surrounded with shores of snow-white sand. **4WD tour is not suitable for passengers with back and/or neck injury due to certain parts of the track being rugged and jerky.
