Overview

Condensing these highlights into just a week is no mean feat. Join us as we unite pristine wilderness areas, World Heritage-listed historic sites and lavender farms, tiny fishing villages, cosmopolitan cities and mouthwatering culinary delights all into one epic 7 day adventure of the senses. Tasmania's second-largest city, Launceston sits pretty on the banks of the Tamar River. If you arrive early, there are near endless distractions to give you a taste for the Apple Isle. We suggest jumping on a boat to cruise the waterway, gliding through the Tamar Valley or up into Cataract Gorge. Alternatively, take a walk along the cliffs to see this rare natural phenomenon which unites bushland with neat Victorian gardens, replete with ferns and exotic plants. It's also a sacred place for the palawa Indigenous community. You will feel your spirit soar. Get a different perspective of the green cavern on the scenic chairlift, zipping you over the water to a lofty lookout before meeting the adventurous souls that will keep you company over the next week (both own expense). The day is yours to fill as you please. Meet your Travel Director for a drink before embarking on your journey along Tasmania's glorious east. Accommodation Hotel Grand Chancellor Launceston
