Overview

The ultimate tour between Perth and Monkey Mia. This tour may be short, but it's big on natural attractions. Like the limestone pillars of The Pinnacles, the eye-popping pink lake, the pristine waters of UNESCO World Heritage-listed Shark Bay, the wild dolphins of Monkey Mia and the ancient gorges of Kalbarri National Park. Also, join Aboriginal guides in Monkey Mia, Kalbarri National Park and Yanchep National Park to learn about their stories and native bush species. Get set for a good dose of coastal drama today as you journey north from Fremantle all the way to Geraldton. But before you get there, pause in Yanchep National Park, a union of bush and wetlands that is as spectacular as it is sacred. The best way to understand its significance to First Nations communities is in the company of an Aboriginal guide. On this MAKE TRAVEL MATTER® Experience, hear how stories are taught, told and used, didgeridoo playing, and hands-on learning with traditional tools. Just try not to leave more informed and understanding of the world's oldest culture than when you arrived. Two national parks in one day – your next stop is Nambung. We'll forgive you for thinking you've been transported to the set of a sci-fi movie when you arrive at this moonscape, studded with limestone pillars stretching into the sky. Welcome to your Pinnacles tour. Arriving in Geraldton, more moving moments await at the evocative HMAS Sydney Memorial, which pays homage to the servicemen who lost their lives off the West Australian coast. Hotel: Ocean Centre Hotel

2 Geraldton – Monkey Mia

Wave goodbye to Geraldton as you make your way to Monkey Mia, located in the heart of the Shark Bay World Heritage region. Keep your sunnies handy at Shell Beach, a powder-white cove formed from billions of coquina bivalve shells up to 10 metres deep, and Hamelin Pool, the world's best-known colony of stromatolites. Believe it or not, these rock-like formations are alive. Aboriginal communities have lived on the land here for 65,000 years, and you'll discover some of this history when you joi...

3 Monkey Mia Free Time

Stay: Monkey Mia Dolphin Resort • Meals: Full Breakfast

Bring your stamina – today's adventures begin early. But if there's anything worth getting out of bed for, it's Monkey Mia's wild dolphins, which swim close to shore to greet visitors every morning. The rest of the day is at leisure. We wouldn't blame you wandering barefoot along the beach, ordering sundowners as the day disappears in a blaze of glory. Perhaps the best way to gain perspective of the vast coastline is on a scenic flight over Shark Bay Marine Park (own expense). Hotel: Monkey Mia Dolphin Resort. Included Meals: Breakfast

Monkey Mia – Kalbarri

Millions of years ago, the Murchison River carved its way through Kalbarri National Park, leaving behind echo-inspiring gorges of red-and-white banded sandstone as well as soaring coastal cliffs. It’s quite the sight, and best taken in from a height. Enter the Kalbarri Skywalk, a precipitous projection 25 metres beyond the gorge rim and a dizzying 100 metres above the river. Here you’ll be welcomed to Country by an Indigenous guide, explaining the stories behind the land on which you stand. O...

One of Western Australia’s eye-popping pink lakes, this body of highly salty water changes hue at different times of the year – sometimes it’s bubblegum, often it’s lilac, occasionally it’s red. It’s always incredible. What a blazing way to end your WA stay. But wait, you still have a Farewell Dinner and drinks with your new friends. Hotel: Holiday Inn West Perth. Included Meals: Breakfast, Dinner
